Time, it needs time
To win back your love again
I will be there, I will be there

Love, only love
Can bring back your love someday
I will be there, I will be there

Fight, babe, I'll fight
To win back your love again
I will be there, I will be there

Love, only love
Can bring down the wall someday
I will be there, I will be there

If we'd go again
All the way from the start
I would try to change
Things that killed our love
Your pride has built a wall
So strong that I can't get through
Is there really no chance
To start once again?
I'm loving you

And try, baby, try
To trust in my love again
I will be there, I will be there

Love, our love
Shouldn't be thrown away
I will be there, I will be there

If we'd go again
All the way from the start
I would try to change
Things that killed our love
Your pride has built a wall
So strong that I can't get through
Is there really no chance
To start once again?

If we'd go again
All the way from the start
I would try to change
Things that killed our love
Yes, I've hurt your pride
And I know what you've been through
You should give me a chance
This can't be the end

I'm still loving you, I'm still loving you
I'm still loving you, I need your love
I'm still loving you, Still loving you,
baby
I'm still loving you, I need your love
I'm still loving you, I need your love
I need your love, I need your love
Still loving you
